

San Maurizio d'Opaglio, 09/01/2017

SUPPLIER CONFORMITY DECLARATION

(according to ISO/IEC 17050-1)

Giacomini S.p.A. company, manufacturer of components for heating, cooling and sanitary distribution systems, located in San Maurizio d'Opaglio (NO), via per Alzo n. 39, whose design and production processes comply with the requirements of the UNI EN ISO 9001:2008 standard,

STATES that

the thermostatic heads
T470C

with the related bodies of micrometric valves with thermostatic option
of the towel-dryer
series **T431C, T432C, T439L, T357B, T357M, T358M, T386T**

comply with the technical-functional features prescribed by the norm **UNI EN 215**
"Thermostatic valves for radiators – Requirements and testing methods"

The above-mentioned valves therefore can be considered at "low thermal inertia" as requested by the Italian Decree of the Ministry of Economics and Finance dated 19 February 2007 "Disposizioni in materia di detrazioni per le spese di riqualificazione energetica del patrimonio edilizio esistente, ai sensi dell'art.1, comma 349, della Legge 27 dicembre 2006, n.296.

It also states that the aforesaid products have been properly designed and manufactured.
